Investor Interest in Nanotechnology Firms Heating Up

nanoTX USA'08 speakers to highlight Money Fair in May

Dallas, Texas. April 17, 2008. Speakers representing university labs and exhibiting firms in the **nanoTX USA'08** Conference/Trade Expo will introduce nanotechnology to a field of investors estimated to number 2000 at *Money Fair* sponsored by the BIZ Radio Network.

Conference representatives will explain the dynamics of nanotechnology and how **nanoTX USA** works closely with university labs and exhibiting firms to bring goods, services, and equipment to market.

This will be a Fast-paced, economic forum featuring some of the nation's top financial experts in attendance, including Dr. Art Laffer, President Reagan's Chief Economist and "Father of Supply Side Economics;" Tobin Smith, Fox News Analyst and founder of ChangeWave investing; Jon Najarian, CNBC Analyst and host of "The Options Monster;" Mike Norman, Fox News Analyst and host of "The Economic Contrarian;" Jim Lacamp and Pat Reddell, both Senior Money Managers, CNBC analysts, and co-hosts of "The Opening Bell;" and of course Dan Frishberg, CEO/Founder of BizRadio Network and host of "The Money Man Report."

This Money Fair is free to the public, Thursday, May 8, 2008, 8:30 a.m. to 5:30 p.m. at the Will Rogers Roundup Inn. Guests should pre-register at www.bizradio.com (click on Money)
